

Lean Manufacturing competitiveness schemes for MSMEs

Ministry of MSME, Govt. of
India

§ Scheme Summary/key features:

The objectives of the Scheme are to enhance the manufacturing competitiveness of MSMEs through the application of various Lean Manufacturing (LM) techniques

Under the Scheme, MSMEs will be assisted in reducing their manufacturing costs, through proper personnel management, better space utilization, scientific inventory management, improved processed flows, reduced engineering time and so on. LMCS also brings improvement in the quality of products and lowers costs, which are essential for competing in national and international markets. Awareness programmes and workshops are being organized to create awareness among the entrepreneurs and motivated to form mini clusters comprising of 6 to 10 units.

Lean Management consultants will work with the specially formed team Special Purpose Vehicle (SPV)/Distinct Product Group (DPG) for Lean Management in the unit for 18 months.

•Eligibility:

Industry associations / Group of approx. 10 MSME units which qualify under MSME-Development Act, 2006 willing to form SPV (Mini Cluster)

§ Amount or Percentage of Subsidy:

A financial support by the Government of India up to a maximum of 80% of the Consultant fees for each Mini Cluster will be provided. Remaining 20% is to be borne by the beneficiaries MSME units.
